TERMS AND CONDITIONS

SECRET Tier Rules:

- SECRET Confidence includes unlimited number of aligners and unlimited refinements for 3 years.
- Refinement included within SECRET Select: The first refinement with SECRET 30 and SECRET ∞ is included.
- Further refinements cost is € 22 per aligner + case review cost (€ 100).
- The duration of the treatment is defined by adding the scheduled duration and the additional duration. At the end of the treatment, the case will be closed and any further orders for the same patient will be considered as a new treatment. The scheduled duration is defined as the number of aligners (maximum number when treating both jaws) multiplied by two weeks (assuming that the patient is scheduled to wear each aligner for two weeks), starting with the delivery date of the first set of aligners.
- The additional duration is calculated as follows: SECRET 10 and SECRET 20: 3 months.
SECRET 30 and SECRET ∞ : 6 months.
- The treatment duration for SECRET Confidence is limited to 3 years after the shipment date of the initial set of aligners.
- A cancellation fee of € 150 applies if:
 - the case is not canceled within 24 hours after uploading the diagnostic photos.
 - the setup is not confirmed within 30 days after the setup confirmation notice.
- The aligners order cannot be canceled after setup confirmation.
- All SECRET cases are considered as one case in the tier calculation formula.
