TERMS AND CONDITIONS

AL-SECRET[®] ALIGNER

AL-SECRET[®] Tier Rules:

- **AL-Secret Confidence** includes unlimited number of aligners and unlimited refinements for 3 years.
- Refinement included within **AL-SECRET[®] Select**: The first refinement with **AL-SECRET[®] 30** and **AL-SECRET[®] ∞** is included.
- Further refinements cost is € 22 per aligner + case review cost (€ 100).
- Because we care about the environment, we kindly ask you to let your patient bring you back the aligners she/he used during treatment, in order to dispose them in a proper way. Please note, that the return mailing label is free of charge and available only after treatment completion.
- The duration of the treatment is defined by adding the scheduled duration and the additional duration. At the end of the treatment, the case will be closed and any further orders for the same patient will be considered as a new treatment. The scheduled duration is defined as the number of aligners (maximum number when treating both jaws) multiplied by two weeks (assuming that the patient is scheduled to wear each aligner for two weeks), starting with the delivery date of the first set of aligners.
- The additional duration is calculated as follows: **AL-SECRET[®] 10** and **AL-SECRET[®] 20**: 3 months. **AL-SECRET[®] 30** and **AL-SECRET[®] ∞**: 6 months.
- The treatment duration for **AL-SECRET[®] Confidence** is limited to 3 years after the shipment date of the initial set of aligners.
- A cancellation fee of € 150 applies if:
 - the case is not canceled within 24 hours after uploading the diagnostic photos.
 - the setup is not confirmed within 30 days after setup confirmation notice.
- The aligners order cannot be canceled after setup confirmation.
- All AL-SECRET[®] cases are considered as one case in the tier calculation formula.
